Dear Business Owner,

Junior box lacrosse is thriving in Kelowna, and our **2025 season was one to remember**. The Kelowna Junior Kodiaks **captured the league championship and finished second in the province**, marking one of the most successful seasons in team history. Beyond our team achievements, several Kodiaks ranked in the league's **Top 10 for points, goals, assists, and saves, with 10 players selected to the All-Star Game**.

Like many community-based sports organizations, registration fees and ticket sales only cover part of the cost of operating our program. Expenses such as equipment, arena time, insurance, and travel quickly add up. That's why support from local businesses like yours plays such an important role in keeping junior lacrosse accessible and thriving in Kelowna.

Thanks to the generosity of community partners last season, along with the fundraising efforts of our players, we were able to purchase new team uniforms, provide bus transportation and accommodation to out-of-town games, and cover travel costs to the Provincial Championships. In return, our sponsors were proudly recognized through game programs, our website, in-game announcements, jersey branding, arena signage, and special sponsor appreciation events.

Below you'll find our 2026 sponsorship and advertising options. Your support directly helps local youth athletes continue to play, grow, and represent our community with pride. We would be honoured to partner with you and keep junior lacrosse in Kelowna strong - together.

Yours in lacrosse,

### Kelowna Junior Kodiaks
